

λογος — words to capture
gather, succession, repetition, out of
that which is similar, count, enumerate,
to list, narrate, say, ~~talk~~ talk, say,
↳ λεγω

λογος — collection, a reckoning, calculation
account (not financial), gathering, saying

'The causing of something to be
seen for what it is, a significant
utterance, utterance of something
displayed something intelligible, the
intelligible and recognisable objective
law behind all, claims/determines/delimits
people, the order of the world, god
himself, inter-matter power, world is a
material unfolding of the logos,
as a seed unfolds,

all power proceeds from and returns to it, power
all life, cosmic and creative potency, the
divine revealer, not incarnate, inter-medius
between God-created beings,

Beneath and between, but not as

need a metaphor
for this
